Dear <<First Name>>,

A lot has changed in the world since you began your college search. And right about now you may be rethinking some of your priorities when it comes to choosing a college. I want to point out that Moravian is a great option that’s close to home, and we’d love for you to apply.

Use the enclosed Express Application or apply online by May 30. When you apply right now, you’ll receive the following incentives:

- Waived \$35 application fee
- Scholarship consideration of up to \$112,000 (over 4 years)
- Expedited admission decision

It’s normal to have questions about the admissions process—especially during times of a global crisis—so our admissions team is here to provide answers, by phone, email, text, and more. Join us for a virtual tour, attend a virtual class, or just speak with a student ambassador. It’s too bad we can’t meet in person right now—but trust us, we are still here for you.

**So, <<First Name>>, return the enclosed application or apply online at <<personalizedurl>> by May 30. It’s so simple—and, to make it a little easier, test scores are optional too.**

As we’ve all seen over the last couple of months, there’s no way to predict the future. But when you stay close to home, you’ll have the support of your family—and the support of Moravian—no matter what life throws at you. So go ahead and apply today. We’ll be waiting.

Be well,

Mary Beth Carey  
Executive Director of Admission and Financial Aid Services
